

+Path to Partner

+ Overview

Are you a dedicated and compassionate optometrist looking for an exciting opportunity to make a meaningful impact on your patients' lives? Join our dynamic team of private practice providers and contribute to our mission of providing exceptional eye care services to our community.

+ The Practices

Veritas Eye Care Partners is a multi-location, OD-driven private practice organization quickly expanding across Central and Western upstate New York. Our portfolio currently consists of 18 practice locations surrounding Rochester, Syracuse, and Buffalo, focusing on adult primary care optometry, contact lenses, specialty contact lenses, and extensive ocular disease management. We pride ourselves on our state-of-the-art facilities, supportive team environment, and a patient-centric approach that ensures the best possible outcomes for our patients. Our team currently consists of sixteen optometrists.

+ The Opportunity

Veritas seeks doctors of optometry interested in pursuing a unique path to partnership opportunity. This means joining our organization to accumulate clinical skills and experience while being paid a base salary plus production and ownership units in our growing partnership of successful existing OD practices.

If you are a dedicated Optometrist passionate about diagnosing and managing eye diseases, Work alongside an experienced team of eye care professionals to provide excellent care to the young and young at heart.

+ The Particulars

Qualified candidates will be graduates of an accredited optometry school with a valid license to practice optometry in New York (NYS Optometry License). Candidates must have excellent communication skills and a professional attitude. If you are looking for a professional partnership with a good work-life balance, time for family and friends, a competitive salary, and great benefits, you belong with us.
